

# TACKLE

Promote the emergence of young  
activism against discrimination  
and structural racism in Europe

# CALL FOR PROJECT SELECTION

Promote actions to fight racial discrimination and structural racism

## PROJECTS OVERVIEW

# Against Racism and Discrimination in Morocco. Towards Access to Rights, Dialogue, Information and Communication

**Partner:** GADEM (Groupement Antiraciste d'Accompagnement et de Défense des Etranger·e·s et Migrant·e·s)

**Countries/Area:** Morocco (Rabat, Casablanca, Tangier)

## **General Objective:**

Strengthening the fight against racism in Morocco through documentation, legal assistance, community mobilisation and advocacy for a rights-based mobility and citizenship.

## **Summary of Specific Objectives:**

- Improving access to justice and fundamental rights for foreigners in Morocco.
- Promoting a more positive societal view of migrants and foreigners.
- Providing educational tools to raise awareness about racism and discrimination.
- Strengthening advocacy for ending discrimination and ensuring fair access to justice.

## **Target Groups:**

- People facing racism (sub-Saharan migrants, Black Moroccans);
- CSOs;
- Solidarity networks.

# Combating Racial Discrimination: Independent Media for Inclusion

**Partner:** Nawaat

**Countries/Area:** Tunisia

## **General Objective:**

Contributing to the fight against structural racism, discrimination and violence in Tunisia, by strengthening anti-racist narratives, documentation and accountability mechanisms through media and investigative journalism.

## **Summary of Specific Objectives:**

- Strengthening documentation of racism, discrimination and violence in Tunisia and along migration routes.
- Producing and disseminating counter-narratives and investigative journalism addressing structural racism.
- Encouraging public debate, accountability, and civic engagement around racist practices.

## **Target Groups:**

- People who are victims or targets of racism and discrimination in Tunisia;
- Migrants, refugees and asylum seekers in Tunisia;
- Civil society organisations; journalists;
- Media workers;
- Broader public concerned by discrimination and racist practices.

# After the Referendum. Empowering Communities for Racial Justice in Italy, Belgium and France

**Partners:** Fantapolitica & Dalla Parte Giusta della Storia (DPGS)

**Countries/Area:** Belgium, France, Italy

## **General Objective:**

Empowering a new generation of youth-led local campaigns on migration and citizenship referendum into a long-term community for systemic change.

## **Summary of Specific Objectives:**

- Building youth leadership and advocacy capacity.
- Enabling decentralised campaigns across regions.
- Strengthening organisational development with DPGS.

## **Target Groups:**

- Local referendum mobilisation groups;
- Community activists;
- DPGS networks.

# Debordering the Countryside: Community-Based Support with Racialised Farmworkers in Sicily

**Partner:** ARCI Porco Rosso

**Countries/Area:** Italy

## **General Objective:**

Challenging structural racism in Sicily's agricultural labour sector and strengthening social cohesion through concrete support to migrant workers, documentation and advocacy.

## **Summary of Specific Objectives:**

- Providing legal and social support to migrant farmworkers.
- Documenting structural racism in agriculture.
- Leading collective activities between migrants and communities.

## **Target Groups:**

- Migrant agricultural workers
- Youth
- Journalists
- CSOs

# Diversify: Unpacking Anti-Racist Education.

**Partners:** Moltivolti, The Gambian Association in Palermo & Giocherenda

**Countries/Area:** Italy

## **General Objective:**

Promoting active, intercultural, and antiracist citizenship by enhancing the emancipatory and intercultural competencies of young people, educators, and communities while supporting the decolonization of educational perspectives, combating racism and discrimination and fostering the creation of inclusive, fair, and just environments, including within the juvenile detention system.

## **Summary of Specific Objectives:**

- Raising anti-racism awareness in schools.
- Promoting intercultural dialogue and skills.
- Supporting youth leadership, especially migrants.
- Improving relationships in detention through arts.

## **Target Groups:**

- Students
- Teachers
- Educators
- Youths (migrant & local)
- Detainees

# Voices from the Border: Anti-racist Solidarity and Advocacy Networks

**Partners:** Melting Pot & S-COM

**Countries/Area:** Belgium, Italy, Morocco, Spain

## **General Objective:**

Building and sustaining a European network of grassroots organisations working on dismantling border violence, producing alternative media, and strengthening local solidarity and alliances.

## **Summary of Specific Objectives:**

- Strengthening transnational grassroots alliances.
- Documenting and amplifying testimonies of border violence.
- Shaping alternative narratives centering people on the move.

## **Target Groups:**

- Local communities & migrants affected by border violence

# Sound Passage: Shaping a Euro-Med Collective Through Music

**Partners:** Forme & Ragazzi Baye Fall

**Countries/Area:** Italy (Lampedusa & Palermo)

## **General Objective:**

Establishing a Euro-Mediterranean artistic collective promoting social cohesion and combatting racism, through a program of artistic residencies and community music practices in borderland territories with the aim of transforming borders from spaces of marginalization into places of dialogue, expression, and artistic production.

## **Summary of Specific Objectives:**

- Creating intercultural artistic spaces.
- Strengthening capacities of youth (especially migrants).
- Raising awareness via performances & dialogues.
- Facilitating cross-Mediterranean knowledge exchange.

## **Target Groups:**

- Musicians
- Youth of migrant background
- Cultural workers
- Educators

# Making the Voice of Refugees in Libya and Tunisia Heard

**Partners:** Refugees in Libya

**Countries/Area:** Belgium, Italy

## **General Objective:**

To support refugee-led mobilization and strengthen the capacity of displaced people affected by human rights violations in connection with EU externalization policies in Tunisia and Libya.

## **Summary of Specific Objectives:**

- Improve participation of asylum seekers & refugees.
- Strengthen organisational and leadership structures.
- Expand regional and international networks.

## **Target Groups:**

- Refugees,
- Asylum seekers
- Migrants in Libya and Tunisia
- Diaspora groups.

# Parents' Network for the Emancipation and the Struggle Against Structural Racism and Discrimination

**Partners:** Association L'Apeste & Front de Mères

**Countries/Area:** Belgium, France

## **General Objective:**

Supporting families and children from ethnic minorities in defending their rights against structural racism and discrimination. Collectively investigating and documenting racism affecting minorities in social and economic practices to build anti-racist public spheres.

## **Summary of Specific Objectives:**

- Training racialised parents to articulate strategies to tackle racism in schools
- Improving the representation of racialised parents in school bodies
- Creating support and action groups for racialised youth and parents

## **Target Groups:**

- Racialised parents and youth in underserved communities

# Rights in Movement: From Legal Power to Collective Action

**Partners:** Association L'Apeste & Front de Mères

**Countries/Area:** France

## **General Objective:**

Increasing the individual and collective capacity of young people and their families directly affected by discriminatory police practices to defend themselves, make their discriminatory nature visible, and contribute to bringing them to an end. To reinforce anti-racist advocacy through knowledge production and strategies influencing local, national, and EU-level policy.

## **Summary of Specific Objectives:**

- Legal support and empowerment against racial profiling
- Producing and sharing data on racial discrimination by police profiling.
- Strengthening organisational capacities.
- Support grassroots movements and alliances.

## **Target Groups:**

- CSOs
- Anti-racist organisations,
- Racialised groups
- Policymakers

# Flow-Culture, Creativity & Arts (FlowCCA)

## Sailing Stories Across Borders

**Partners:** COMEX-ARC (Collective for Multicultural Exchanges in Art, Research & Culture)

**Countries/Area:** France (Marseille) – Tunisia (Tunis, Nabeul, Sousse, Sfax, Gabes, Djerba, Zarzis) – Mediterranean boat trip

### **General Objective:**

Tackling structural racism and colonial legacies through artistic practices, political research, education, and community organising. Empowering communities to create and circulate alternative narratives through artistic collaboration, mobility and memory that reimagine the Mediterranean as a site of cultural continuity and shared futures.

### **Summary of Specific Objectives:**

- Creating artistic and political reflection spaces.
- Developing decolonial pedagogies.
- Producing new artistic narratives.
- Strengthening transnational alliances.

### **Target Groups:**

- Artists
- Cultural practitioners
- Activists
- Researchers

# Decoding and Resisting: Discourse comparison, Critical Analysis and Digital Mobilisation Against Racism and Extremism

**Partners:** Change asbl

**Countries/Area:** Belgium

## **General Objective:**

Contributing to the fight against structural racism by deconstructing hateful speech online and on social media through an educational and technological approach. Strengthening the capacity of young people and racialised communities to analyse, challenge, and prevent online hate speech, and promote an inclusive, rights-based public discourse.

## **Summary of Specific Objectives:**

- Raising youth's awareness regarding historical/current discriminatory speech
- Developing an interactive application to analyse and report hateful content
- Creating a network of youth ambassadors through artistic workshops

## **Target Groups:**

- Discriminated youth exposed to hate speech
- Content creators

# The Game of the Seven Discriminations

**Partners:** COCAD (Collectif Carolo des Africain·es pour la Diversité)

**Countries/Area:** Belgium

## **General Objective:**

Raising awareness among young people in Belgium, as well as their educators, about issues of racism in order to provide them with concrete tools to recognize it, combat it, and actively commit to a more just and inclusive society.

## **Summary of Specific Objectives:**

- Offering a series of courses on racism for secondary school students
- Co-creating a participatory educational tool to tackle stereotypes and prejudice
- Encouraging young people's civic engagement.

## **Target Groups:**

- Secondary School Students and their Educators

# EmpowerAction: Empowering European Muslim Youth Against Structural Racism

**Partners:** COCAD (Collectif Carolo des Africain·es pour la Diversité)

**Countries/Area:** Europe-wide

## **General Objective:**

Equipping European Muslim youth with the skills, capacity building activities, and networking spaces to lead impactful action against structural racism and discrimination, transforming lived experiences of marginalization and otherisation into collective advocacy that shapes local, national and European policy.

## **Summary of Specific Objectives:**

- Equipping youth with skills to combat systemic racism, including Islamophobia.
- Increasing Muslim youth representation and advocacy impact
- Fostering networks for collective action.

## **Target Groups:**

- Muslim youth
- Student groups
- CSOs
- Media practitioners

# Ecology of a Pushback: Political Art and Collective Resistance against Racism and Aporophobia at Europe's Borders

**Partners:** No Name Kitchen

**Countries/Area:** Spain (Ceuta, Melilla, Canary Islands, Almería, Andalusia)

## **General Objective:**

Fighting structural and racialised violence at borders by strengthening solidarity collectives and migrant communities, exposing and challenging the structural racism and aporophobia that underpin Europe's border system through a series of political art events.

## **Summary of Specific Objectives:**

- Improving documentation of border violence.
- Strengthening solidarity networks.
- Building participatory advocacy practices.

## **Target Groups:**

- People on the move
- Solidarity collectives
- Frontline NGOs.

# Socio-Legal Support for Migrant People in Melilla and Advocacy at the Spanish Southern Border

**Partners:** Solidary Wheels

**Countries/Area:** Italy, Spain

## **General Objective:**

Improving the living conditions and rights protection of people on the move at the southern Spanish border by ensuring access to fundamental rights and strengthening legal, social, and political advocacy. Challenging racist narratives and practices affecting migrants, strengthening grassroots resilience and advocacy.

## **Summary of Specific Objectives:**

- Providing legal support, safe spaces, and documentation to empower rights-holders at the Melilla border.
- Publicly denouncing systematic human rights violations.
- Promoting institutional accountability through strategic litigation and coordinated advocacy.

## **Target Groups:**

- People on the move
- Migrant communities
- Grassroots organisations

# Diaspora Resonances: Arts and Voices in Exile

**Partners:** Afrogrooves & Here to Support

**Countries/Area:** Belgium, France, The Netherlands

## **General Objective:**

Promoting the emergence of youth activism against systemic racism and discrimination in Europe through art, education, and advocacy, using music and cultural expression as tools for empowerment and social change within diaspora communities.

## **Summary of Specific Objectives:**

- Building advocacy capacities of West-African diaspora artists
- Promoting inclusive and alternative narratives on migration, identity and equality
- Promoting artistic production, public events and dialogue

## **Target Groups:**

- West-African diaspora living in exile
- Non-diasporic people
