EmpowerAction: *Empowering European Muslim Youth Against Structural Racism*

EmpowerAction equips European Muslim youth with **leadership, advocacy, and wellbeing tools to combat Islamophobia and structural racism**. Through trainings, conferences, and cross-border coalitions, the project strengthens youth representation, reclaims narratives, and increases institutional engagement at local, national, and European levels. It builds sustainable advocacy structures and empowers young Muslims to transform lived experiences of discrimination into coordinated action and policy influence across Europe.

FEMYSO
**European Youth
Foundation (EYF)**

Belgium (Brussels), France (Paris), Spain
(Valencia), Sweden (Gothenburg),
Finland (Helsinki), Albania (Tirana)
